“Connecting businesses worldwide with seamless logistics solutions.”

About Company

Acer Global Logistics is a trusted leader in temperature controlled and reefer logistics, delivering specialized and reliable supply chain solutions worldwide.

We work in handling chilled and frozen cargo with precision, offering end-to-end services including ocean freight, reefer container trucking, warehousing, distribution, and project cargo management. Guided by our values of integrity, innovation, and customer-centricity, our dedicated team ensures seamless, timely, and secure delivery for every shipment, setting the standard for excellence in global logistics.

Empowering Our People

We believe that our people are our greatest strength. We foster leadership, innovation, and accountability at every level, empowering our team to grow professionally while recognizing their contributions with meaningful rewards.

A Message from Our Leadership

Satya Mishra

MD / CEO – Acer Global Logistics.

Our journey has always been guided by trust, responsibility, and a commitment to excellence. We started with a vision to provide seamless logistics solutions and today, we are proud to be a trusted partner for businesses across the globe. As we move forward, our focus remains on innovation, reliability, and building long-lasting relationships with our clients.

Sailendra Kumar Dash

Director/Partner's Message – Acer Global Logistics.

Our people and our values are at the heart of everything we do. We believe in empowering our team, embracing challenges, and delivering solutions that create real impact for our customers. With every shipment, we carry not just goods but also the promise of care, precision, and dedication. Together, we look forward to shaping the future of logistics with integrity and purpose.

Vision & Mission

Our People, Our Strength

We believe that success begins with people. We nurture innovation, accountability, and leadership at every level. Our team is empowered to grow, lead, and make an impact with recognition and meaningful rewards for their contributions.

Our Mission

To deliver seamless and efficient reefer logistics solutions through excellence, end-to-end control, and a customer-first approach—ensuring the integrity of every shipment across every mile.

Our Vision

To become a global leader in temperature controlled logistics by setting the highest standards of reliability, sustainability, and customer satisfaction.

Why Choose Us

End-to-End Cold Chain Expertise

Specialized in temperature-controlled logistics – from reefer ocean freight to cold storage – ensuring your cargo remains fresh and safe throughout the journey.

24/7 Dedicated Customer Support

Round-the-clock expert support to assist, track, and resolve – giving your cargo the attention it deserves at every stage.

Fair & Transparent Pricing

No hidden costs — just honest, value-driven solutions that make business sense.

Timely & Secure Deliveries

Advanced systems and skilled teams guarantee on-time deliveries without compromising on temperature or product quality.

Customized Reefer Solutions

Flexible cold chain logistics designed to handle perishable foods, pharmaceuticals, and all temperature-sensitive cargo with full compliance.

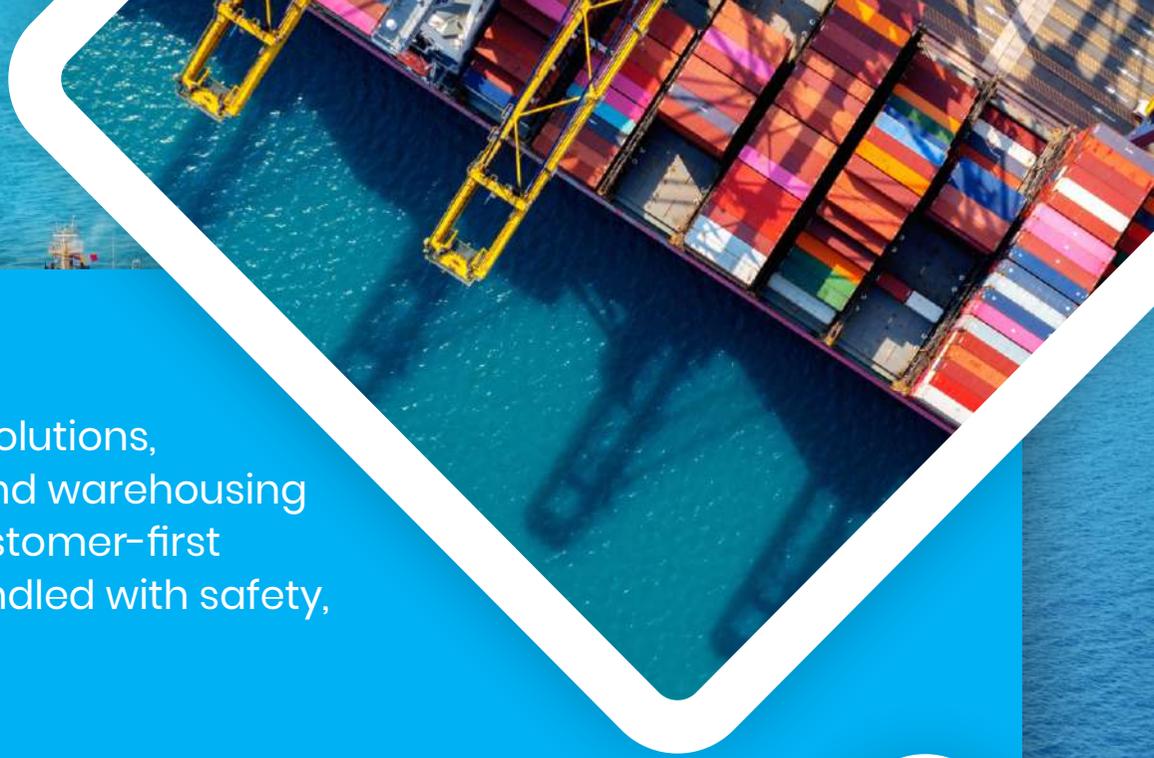

Global Compliance & Reliability

A trusted network of global agents with strict adherence to international and domestic regulations, ensuring safe and compliant deliveries every time.

Our Services

We deliver seamless end-to-end logistics solutions, specializing in cold chain, transportation, and warehousing services. With advanced systems and a customer-first approach, we ensure every shipment is handled with safety, speed, and compliance.

Reefer Ocean Freight

Keeping Your Cargo Fresh Across the Seas

We understand the importance of preserving the quality of your temperature-sensitive cargo. Our Reefer Ocean Freight solutions are designed to ensure your perishable goods, pharmaceuticals, and delicate shipments arrive in pristine condition—no matter the distance.

Key Features & Benefits

- **Temperature Control Precision**
- **24/7 Real-Time Monitoring**
- **Custom Logistics Solutions**
- **Global Network & Partnerships**
- **Regulatory Compliance**

Customs & Documentation

Seamless & Hassle-Free International Trade

We understand that customs clearance and documentation can be complex and time-consuming. Our expert team takes care of every detail – from preparing invoices and packing lists to handling permits, duties, and declarations – ensuring your shipments move smoothly across borders.

Our Key Strengths

- **Regulatory Compliance**
- **Accurate Documentation**
- **Customs Clearance**
- **Risk Mitigation**
- **Real-Time Support**

Cold Storage & Warehousing

Keeping Your Goods Safe, Fresh & Reliable

We understand the importance of maintaining product integrity for perishable and sensitive goods. Our services are designed with advanced refrigeration systems, strict hygiene standards, and 24/7 monitoring to ensure your goods are always protected.

Our Key Features

- **Multi-Temperature Zones**
- **Flexible Storage Options**
- **Real-Time Inventory Management**
- **Seamless Handling & Transfers**
- **Value-Added Services**
- **Compliance & Safety Standards**

Reefer Trucking

Keeping Your Cargo Cool, Fresh & Safe on the Road

We specialize in Reefer Trucking services that ensure your temperature-sensitive cargo is transported with the utmost care and precision. We make sure your perishable goods reach their destination in perfect condition—no matter the distance.

Smart, Secure & Temperature-Controlled Logistics

- **Advanced Temperature Control**
- **24/7 Real-Time Monitoring**
- **Customized Solutions**
- **Compliance & Safety Standards**
- **Efficient Route Management**

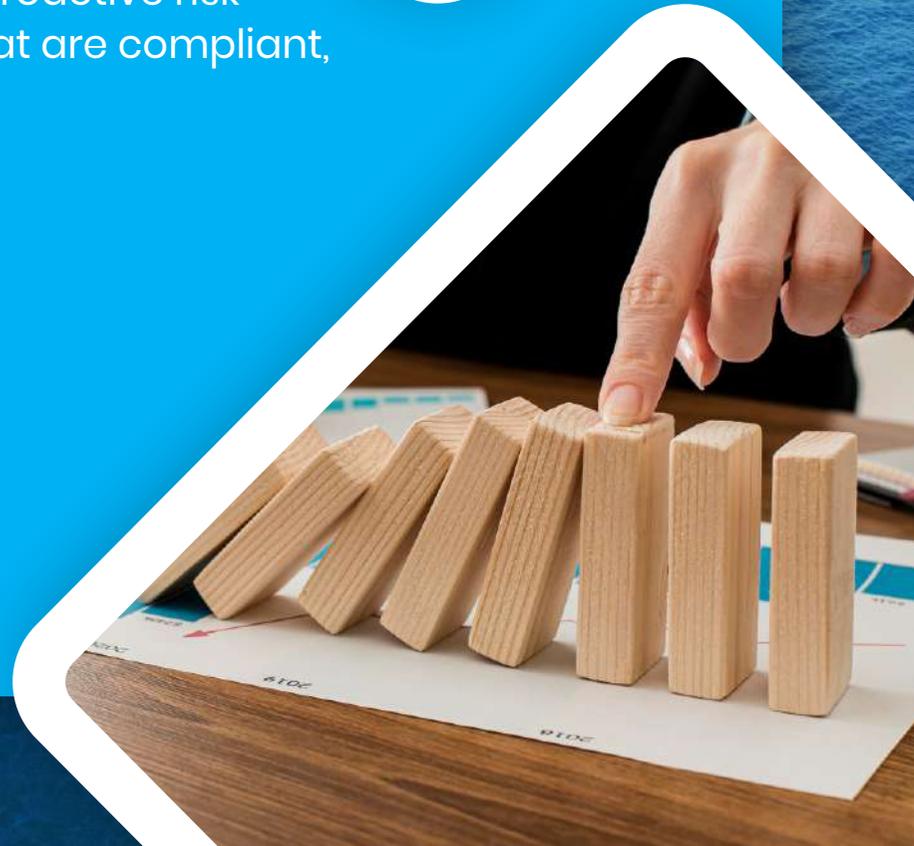

Consulting & Risk Management

Navigate Global Logistics with Confidence

We understand that international supply chains are complex and full of challenges – from strict regulatory compliance and rising costs to temperature-sensitive cargo risks and cross-border hurdles. Our Consulting & Risk Management services are designed to give businesses the confidence to move forward. With expert insights, strategic planning, and proactive risk mitigation, we help you build resilient supply chains that are compliant, cost-efficient, and future-ready.

Our Services Include

- **Cold Chain Risk Assessment**
- **Regulatory & Trade Compliance**
- **Logistics Cost Optimization**
- **Route & Carrier Risk Evaluation**
- **Crisis Management & Contingency Planning**

Shipping Insurance

Protecting Your Cargo. Securing Your Peace of Mind.

We know that every shipment is valuable. Whether it's perishable goods, pharmaceuticals, machinery, or high-value items, unexpected events like damage, theft, or delays can occur during transit. That's why we provide comprehensive Shipping Insurance solutions designed to safeguard your cargo and protect your financial investment.
